

AIRPORT CHOICE

Cross Canada Tour

All students have the opportunity to choose which airport from the Westjet list which follows that they wish to use for getting to Moncton to begin the tour in June (if you are outside the Maritimes) and to which airport you wish to use to return to at the end of the tour in late July. Westjet is the “official” airline of the CCT.

Depending on your selection, you may need to pay an additional fee as the airfare portion of the tour monies allocated to airfares is the “average cost of a ticket from Victoria BC to Moncton/ Halifax”. In 2009, kids in Southern Ontario paid a “surcharge” of \$120 to fly from Hamilton to Moncton in June and to fly from Victoria to Hamilton at the end of the CCT in July.

Students needing to fly on an airline other than the tour designated airline, Westjet, will pay whatever those costs are less the value of the Victoria to Moncton/Halifax, Westjet fare.

Please select your choice of airport (circle) after discussing this decision with your YEP Club Chair or counselor. Questions should be addressed by email to Mike Ross at rotaytrip@hotmail.com
