

Rotary Club and Parents Permission Form

Send to Mike Ross at 212 Massey St Fredericton NB E3B 2Z4

The Rotary Cross Canada Tour is sanctioned by the dual districts in Atlantic Canada 7810 and 7820. The purpose of this form is for host clubs and natural parents to transfer authority to the tour chaperones during the time the tour is on.

- Chaperones have the authority to sign permission forms for underage students who, by law, are unable to sign for themselves (eg. for white-water rafting or whale watching).
- Chaperones have authority to make medical decisions in case of a medical emergency. Any costs are to be paid for by the student.
- Chaperones have authority to terminate the tour of any student breaking tour rules if it is deemed "for the good of the tour". Any return to a host club will be at the student's expense and no refunds will be processed.

I, the natural parent of (print student's full name) _____, being hosted in the Rotary International Student Exchange Program, do hereby agree that the chaperones of the Cross Canada tour hold the above authority during the time of the Rotary Cross Canada Tour.
